

## Our School Day

On arrival into school pupils are welcomed by staff and settled into school. This includes an offer of a small healthy breakfast and a focus on literacy skills.

Lessons are 50 minutes long and pupils have 3 lessons in the morning session and 2 lessons in the afternoon session. Lesson 4 is 90 minutes long as it includes a 30 minute session for lunch.

All pupils have an outdoor play time built into their lunch time. Pupils have a morning or afternoon outdoor break which includes an offer of fruit. This break is dependent on the time of their lunch session and the individual needs of each class.

Before leaving school pupils have a settling time with their class staff teams. During this time pupils are encouraged to reflect on their day and are supported to ensure they have all their belongings. Pupils are supported to their transport home by class staff.

Arrival and Registration	8.50 - 9.10
