

Dear Parents,

16/7/2018

I am writing to advise you that as from 3rd September 2018 the price of a school meal has increased.

Derbyshire County Council always endeavours to keep costs to a minimum but due to the increased cost of food and labour there is unfortunately no alternative.

The cost of a school meal will increase to:-

£2.10 for Primary pupils (years 3-6)

£2.40 for Secondary pupils (years 7-11)

Universal free school meals will continue for reception and years 1 & 2.

I trust you find this acceptable and if you have any queries please contact me.

Yours Sincerely

Mrs T Turner
Headteacher
