It is important that you contact school as early as possible to let us know your child will not attend, this will need to be done for every day of their absence. Please leave a message with your child's name and the reason they will not be in school. The school start times are below, if your child is not in school by 9:10 they are marked as Late and this is unauthorised, unless you have made contact to let us know the reason. We are monitoring attendance for all pupils, by arriving at school late, they miss essential morning routines and breakfasts that help routine their day. CCTV Expansion – Consultation to Parent/Carers:	As our school expands, we also need to expand the CCTV coverage in order that we can continue to meet our safeguarding and site security goals. We have taken this opportunity to review our existing solution coverage (areas external to the building and common areas such as corridors and reception) and address what we feel to be gaps. Due to the vulnerable nature of our children we aim to increase the coverage to include additional areas the children access such as classrooms, sensory spaces and some of the wider playground areas that do not currently have full coverage. We do not intend to install CCTV in those areas where an expectation of privacy exists, such as toileting and personal care locations. We are now seeking to consult with you please use this link so we can gather your views on this proposed expansion.
Suncream, hats and water:	Please make sure you apply long acting suncream to your child before they come to school in the morning if the weather is forecast to be hot. Please also provide them with a named sun hat and water bottle. W
