**Attention Autism**

After the Easter holiday on Wednesday 21<sup>st</sup> April we have a virtual parent care support group on Attention Autism. Attention Autism is an intervention that develops natural and spontaneous communication, through the use of visual and motivating activities. Join us to learn, how we use it in school and how you can use it at home to support your child. Click the link here to sign up

**Attendance**

It has been great to see the pupils back in school and attending. We have had a few pupils that are late or not attending school for odd days due to sleep related issues. We understand that some of our pupils struggle with sleep and getting back into the routine post lockdown is difficult. We hope that the Easter break provides the opportunity to get the bedtime routines back in place ready for the new term. If your child has not slept well, they are still able to come into school, and we will support them. If your child is struggling with sleep, we have a trained sleep practitioner in school who is able to support, please email

**School Lunches Survey**

We have been working closely with our catering providers to improve the school menu. As part of this, we would love to have some feedback on the puddings and desserts offered at lunchtimes, including fruit being offered. We have made a short survey of just 6 questions to answer by following this link: <https://forms.office.com/r/azZ7iUazkp>

**Covid-19**

There have been no new cases of Covid-19 in school this week.
