Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further [information on self-isolation for those with COVID-19](#) is available.

Secondary school based COVID 19 Immunisation Sessions

Dear Parents/Carers,

Following national guidance, we will be offering the second dose of Covid-19 vaccination to young people age 12 – 15 and will be continuing to use the e-consent as with other vaccine programmes.

We are also able to offer the first dose in school if your child hasn't yet received a vaccination.

Children must be 12 on the day of vaccination. Please complete the consent regardless of whether you have completed one previously. We will only use newly completed forms.

There must be a gap of 12 weeks (84 days) between first and second doses. If there isn't then your child will be refused vaccination on the day. Please only consent if your child will be eligible. There must also be a gap of 12 weeks between Covid infection and vaccination. If your child contracts Covid after completing the form or receives their vaccine elsewhere, please let the team know so we can remove them from our list.

Please visit <https://www.derbyshireandcityimms.co.uk/Forms/CovidDose2> to complete the consent form.

Your unique school code for **Brackenfield Special School** is **DD113031**

Therefore, the consent system will close 2 working days prior to the session at 9am. If your school session is on a Monday, the form will close the Thursday before and schools on Tuesday will close on Friday. We will not be able to add extra forms once it has closed.
