Secondary age pupils- onsite asymptomatic lateral flow COVID testing in September

As we return, the Government has informed us to undertake on-site asymptomatic testing for all secondary aged pupils before they return to school full time. This will involve 2 tests onsite 3 days apart. The first test was on Thursday 2nd September and the second test will be on Monday 6th September. Pupils will then be able to return to school on Tuesday 7th September should their lateral flow test be negative and they are not symptomatic. LFD testing is voluntary- however we would like to stress the importance of asymptomatic testing in stopping the spread of COVID-19 in school and the wider community.
