

Whole school information

Covid Guidance- as issued to schools at the end of last week

As a school we will be following the advice given by the government so there is very little change to what we have been doing regarding the management of Covid in school. The status of isolating, testing etc, has moved from the law to advice. In order to keep everyone as safe as possible it seems sensible to follow the advice especially as we have vulnerable children and adults working in school.

LFT testing-

All staff are still being encouraged to do two LFTs each week. We would encourage that families continue with regular testing. However, if you choose not to, we would recommend you have a box of tests in store at home should your child become ill and need to test. The link below takes you to the LFT test order site.

<https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

If your child has symptoms of COVID

Your child should not come into school. You should book a PCR or order a PCR test online.

[Get a free PCR test to check if you have coronavirus \(COVID-19\) - GOV.UK \(www.gov.uk\)](https://www.gov.uk/get-a-free-pcr-test-to-check-if-you-have-coronavirus-covid-19)

If this is negative then your child can return to school. If it is positive, then your child should stay at home and follow the 'People with Covid 19 and their contacts' guidance (see link below). If your child tests positive on an LFT but is asymptomatic then you should stay at home and follow the 'People with Covid 19 and their contacts' guidance. Your child may return to school if on day 6 they have had a negative LFT on day 5 and 6 or until they have 2 consecutive negative LFTs or 10 days has passed.

Symptoms are deemed to be:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)
- Other symptoms linked with COVID-19 include shortness of breath, fatigue, loss of appetite, muscle ache, sore throat, headache, stuffy or runny nose, diarrhoea, nausea and vomiting.

Any of these symptoms may also have another cause but your child should take an LFT to rule out Covid.

If you are a close contact of someone who has tested positive You are deemed a close contact if someone in your household has tested positive for Covid or you have stayed overnight in a house where someone has tested positive during their infectious period. A person can be infectious 48 hours before they test positive. Children can still come to school if they are a close contact of someone who has tested positive unless they are showing symptoms of Covid in which case they should have a PCR test and wait for the test result before returning to school. If your child is a close contact of someone who has tested positive, then we ask that you keep a close eye on them for any Covid symptoms.

Other measures to prevent the spread of Covid These remain the same.

- Classrooms will be well ventilated and CO2 monitors observed
- Regular sanitising and washing of hands, on entry to classrooms, breaktimes, lunchtimes
- Bubbles will be put in place if there is an outbreak of Covid in a class

Reporting Positive Test to School

Please report positive LFT and PCR tests to Parents@brackenfield.derbyshire.sch.uk

New Build News

We are well underway with the new build. The construction compound is up, the Annex has been demolished, pipes have been re-routed and the ground is being prepared for the foundations. Dave our Systems and IT Manager has installed a timelapse camera on the top of the main building to keep you all updated. Follow this link to view the video:  [School Building Work Time Lapse-1.mp4](#)

Derbyshire Healthcare CAMHS (Child and Adolescent Mental Health Service):

The CAMHS Duty line is available for advice to families and professionals Monday to Friday 9am – 4.30pm on 0300 123 9164

Y9 Teenage Booster and Meningitis ACWY Vaccinations

We will be continuing to use the e-consent for the Teenage Booster, and Men ACWY vaccination programme and will be offering vaccination to girls and boys in Year 9.

Please visit <https://www.derbyshireandcityimms.co.uk/Forms/DTP> to complete the consent form. The option to consent or decline the vaccination is at the end of the questionnaire so please complete even if you do not want your child to have the vaccination.

Your unique school code for **Brackenfield Special School** is **DD113031**

For more information about the vaccination and the date we are due into your school please visit our website: <https://www.derbyshirefamilyhealthservice.nhs.uk/our-services/5-10-years/school-age-immunisations>

If you experience any problems, please call the School Age Immunisation Team.

School Uniform - Simply First

Over COVID 19 Simply First have changed the way they operate their shop.

Parent/carers are now being directed to the website:

www.schooluniformnottingham.co.uk to place orders. You will then be sent an invoice for payment, and once payment has been received the

order will be processed and you will receive a notification when your order is ready to collect.

Payments are made via bank transfer using their order name and invoice number (really important) as payment reference.

Our School Day

Please be reminded of the school times.

Online Grooming - A Guide for Parents

With the scale of online grooming getting worse every year it is important that parents are empowered with good information. The Internet Watch Foundation have put together a brilliant guide which is split into 3 sections. The first describes what online CSE is, the second answers questions and gives practical advice, and the third informs parents what to do if they are suspicious. The downloadable PDF can be found [HERE](#).
