

Personalised Learning Intention activities

These are activities that support your child's progress in Personalised Learning Intentions (PLIs). A document will be sent to you via email with activities that can be done at any time. These activities are the same for the next 5 weeks so will only receive this document once. If you need some more ideas or different activities let the class team know and they will be happy to provide these for you.

Ongoing activities these week

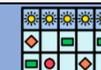

(these can be completed every day)

Timetable

(complete these activities this week. You can choose the order you do this in)

| | | | |
|--|--|---|---|
| <p>Maths focus 1: Measure the lengths of 10 different items around your house. Line them up in length order. How tall in cm are 5 tins of soup, beans or tinned food? Explore different objects and compare the lengths. Can you work out the difference (longest take away the shortest)?</p> | <p>Maths focus 2: Go onto Education City and complete activities linked to Length. Save and send any certificates for completed activities</p> | <p>Maths focus 3: Try the activities at Level 1 and 2 here about lengths of different objects</p> | <p>Maths focus 4: Scavenger Hunt – Search around your house and find 5 items that are exactly 1 hand length, 2 hand lengths, 3 hand lengths etc Put them in order</p> |
|--|--|---|---|

| | | | |
|--|--|--|---|
| <p>English focus 1: Try a range of difficulties of word searches here and read through the list of words that you are being asked to find</p> | <p>English focus 2: Read through the sentences in these activities and find the correct punctuation.</p> | <p>English focus 3: Reading lesson Cake read by Ashley Roberts</p> | <p>English focus 4: Log into your emails and send an email containing a short story to ash@brackenfield.derbyshire.sch.uk The subject of the email is When Aliens Invaded School. Create your own short story about what happened the day aliens invaded school. Did they shapeshift and pretend to be teachers and pupils? Did they decide to just join school? Are they taking over the whole world? What will happen and what will you do?</p> |
| <p>Independent living focus: Home management – Lesson 2 Hygiene at Home Look through the slides and talk through the activities with someone at home.</p> | <p>Good Health focus: Personal care - Lesson 2 Balanced plate of food Look through the slides and create a video about the importance of hygiene.</p> | <p>Employment focus: Using an Email. Access your school emails and look for the email titled 'ICT Lesson'. Reply to the email and answer the questions contained in the email. Your email details are the same as your Teams details.</p> | <p>Community focus: Ecosystems Watch and read the information about ecosystems and answer the quiz. Extend to try out the Food Chain challenges Savannah Tundra Woodland</p> |

| Microsoft Teams Sessions | | |
|---|--|--|
| Lunch Time Socials- 12.20 every day. Join Popular/ Ash class for lunch and say hi to your friends at school. | 9:30am and 2:00pm – Mr Thomas and Mrs Spurr will meet online with everyone working from home to discuss the activities for the day at the beginning and end of the day | Friday Hello! 1.30pm on Friday. Have a social chat with just Ash class to talk about your week and what you've been up to. |
| Mr Thomas will be leading Life Skills based lessons daily at 1:00pm. These will be building on the activities set above. These lessons may sometimes be recorded by Mr Thomas for evidence purposes. They will not be shown outside of Qualifications and school. | | |
