

Person Learning Intention activities

These are activities that support your child's progress in Personalised Learning Intentions (PLIs). A document will be sent to you via email with activities that can be done at any time. These activities are the same for the next 5 weeks so will only receive this document once. If you need some more ideas or different activities let the class team know and they will be happy to provide these for you.

Ongoing activities these week

(these can be completed every day)

Extension/Additional Work

If you require any additional extension work, then please contact ash@brackenfield.derbyshire.sch.uk and we can support with additional work and direct you to the correct area on Teams for you to access the work.

We have been making bespoke projects on the Vikings before half term, but we will start new topics soon! Look on Teams or contact us on ash@brackenfield.sch.uk if you are interested.
