**Person Learning Intention activities**

These are activities that support your child's progress in Personalised Learning Intentions (PLIs). A document will be sent to you via email with activities that can be done at any time. These activities are the same for the next 5 weeks so will only receive this document once. If you need some more ideas or different activities let the class team know and they will be happy to provide these for you.

Ongoing activities these week (these can be completed every day)					
   	Watch Newsround and discuss with people around you.	Try a Yoga video <a href="https://www.youtube.com/watch?v=Td6zFtZPkJ4">https://www.youtube.com/watch?v=Td6zFtZPkJ4</a> Joe Wicks <a href="https://www.youtube.com/channel/UCe0Lj3kaZkq5sV9XvYK1pQ">joe wicks - YouTube</a> Andy workouts <a href="https://www.bbc.co.uk/programmes/p06tmmvz">https://www.bbc.co.uk/programmes/p06tmmvz</a>	Spelling and phonics focus <a href="https://www.phonicsplay.co.uk/">https://www.phonicsplay.co.uk/</a>  <a href="https://www.bbc.co.uk/bitesize/subjects/zgkw2hv">https://www.bbc.co.uk/bitesize/subjects/zgkw2hv</a>	Read a book Oxford Owl <a href="https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/">https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/</a>	Maths game <a href="http://www.prodigygame.com">www.prodigygame.com</a>  <a href="https://www.topmarks.co.uk/maths-games/hit-the-button">https://www.topmarks.co.uk/maths-games/hit-the-button</a>

Timetable (complete these activities this week. You can choose the order you do this in)			
Maths focus 1: (Monday 9.30) <b>Collecting and recording data</b> Find a bag of mixed sweets such as skittles, smarties or dolly mixture. Now try <a href="#">this activity</a> . If you don't have sweets, try <a href="#">this bird spotting survey</a> and record how many birds you can see. Extension: Create a <a href="#">bar chart</a> or <a href="#">pictogram</a> to show the results?	Maths focus 2: (Tuesday 9.30) Let's compare the price of food in different shops. Think of a food item you would like to compare the price of in different shops. Do you think a loaf of bread would cost the same in each shop? Use this <a href="#">activity sheet</a> to help you.	Maths focus 3: Education city games related to graphs  <a href="https://go.educationcity.com/">https://go.educationcity.com/</a>	Maths focus 4: (Thursday 9.30) Make sure you have asked at least 5 people to answer your survey (from last English lesson) so you can present your results using a <a href="#">bar chart</a> or <a href="#">pie chart</a> .  Now look at you chart and talk to an adult about what you have found out.

<p>English focus 1: (Monday 11.00) We are going to be writing the Friday quiz questions for decode this week. So you will need to think of 5 quiz questions with multiple choice answers to use in the quiz. Remember you can use google to help. Put each question onto a PowerPoint slide with a picture and send to <a href="mailto:poplar@brackenfield.derbyshire.sch.uk">poplar@brackenfield.derbyshire.sch.uk</a></p>	<p>English focus 2: (Tuesday 11.00) Answering a survey</p> <p>Follow <a href="#">this link</a> and answer the questions about school. This is a good way to tell us how you feel. Remember to include details and answer in sentences.</p>	<p>English focus 3: (Thursday 11.00) Today you are going to create your own survey for Friday's maths lesson. Try the <a href="#">Mrs Preece's survey here</a>. Think about what you would like to find about your class. Try to include at least 5 questions.</p>	<p>English focus 4: (Friday 11.00) When restrictions have lifted, we will be able to go on school trips. Today, I would like you to plan your dream school trip. <a href="#">Use this website to plan your activity</a> and <a href="#">this menu</a> to decide what you would eat and drink. If you have a different idea research it and find out the details. When you have finished, email it over to Poplar's email.</p>
<p>Independent living focus: (Monday 1.15) Home management – Oak academy putting food away and food storage. Look through the <a href="#">slides</a> and learn where and how food should be stored. Extension: look at this <a href="#">power point</a> and <a href="#">activity</a>. Now check if your fridge is correct.</p>	<p>Good Health focus: (Tuesday 1.15) Oak academy – managing a routine. Look through the <a href="#">slides</a> and learn about what makes a balanced daily routine.</p>	<p>Staying safe focus: (Wednesday 1.15) Self image and identity. Look through the <a href="#">slides</a> and discuss how online and in person identities can be different including the benefits and drawbacks. identify a range of shops and what they sell.</p>	<p>Community focus: (Thursday 1.15) Oak academy – knowing which shops to buy from Look through the <a href="#">slides</a> and learn about a range of shops and what they sell.</p>
