**Personalised Learning Intention Activities**

These are activities that support your child's progress in Personalised Learning Intentions (PLIs). A document will be sent to you via email with activities that can be done at any time. These activities are the same for the next 5 weeks so will only receive this document once. If you need some more ideas or different activities let the class team know and they will be happy to provide these for you.

Ongoing activities these week (these can be completed every day)				
Practise this week's <a href="#">spellings</a>	Make breakfast for yourself/your family	Practise mixed <a href="#">times tables</a>	Complete today's daily interactive <a href="#">wordsearch</a>	Watch <a href="#">Newsround</a>
